

Congratulations to the Class of 2016!

To Our Northeast Girls NPL graduating seniors,

The Northeast Girls NPL member clubs, league administration and US Club Soccer congratulate all our young ladies graduating this year. Your high school resume lists many wonderful accomplishments both in the classroom, on the field and in the community. We are honored to have had you as part of our Northeast Girls NPL over the past three years.

Ninety-nine of you will take your game to the collegiate level. A few young ladies will continue to play with teammates, some will dress now with women from other Northeast Girls NPL clubs and some will face opponents they have faced before. As you put away your current team jerseys, we hope that you keep with you the love of the game, a spirit of sportsmanship and valuable lessons learned with a soccer ball at your feet. We are confident that you will positively impact your new teams.

To our young women beginning new chapters in their lives, this is an exciting time for you. Whether your path leads to college, serving our country, starting careers or exploring new options, we wish you continued success in your new endeavors. The communication, dedication and teamwork skills that you gained on the field will serve you well. You will be leaders in your bright futures.

Once again, it has been a privilege to share this game called soccer we love with you, our graduating class of 2016. We wish you the best in the future. And remember, when you go down, stand up, wipe off the mud and get back in the game. After all, you are Northeast Girls NPL women. You are prepared for life!
